Subject: RE: Port of Corpus Christi Authority TPDES permit

Hi Eric. Charles is out all next week, but Maria and I are free Thursday the 2nd in the afternoon or anytime Friday the 3rd. We could possibly meet sometime on Wednesday the 1st, if necessary, but we'd prefer Thursday or Friday if possible.

Also, just to confirm – we're assuming you're referencing TX0138347 (WQ0005253000), the proposed TPDES permit for a desalination plant on Harbor Island. If there are any specifics you could give us regarding what you'd like to discuss, that would be helpful. Thanks! Renea

That's fine. I'm out of the office this week due to a child with CoVid and some illness myself, so it's OK to wait until next week if necessary. I just don't want the process to get out ahead of us too much.

Hi Eric. I can check, but I'm afraid it may have to be next week. I'm out Thursday/Friday of this week and Charles is back this week after being out all last week. Sadly, his wife died last Monday, so I know he's got a lot on his plate. Maria also was out last week on vacation. She may be back this week, but I'm not sure. Things are a bit crazy in our shop right now. Thanks. Renea

Renea,

Is there a time this week when EPA personnel would be available to discuss the Port of Corpus Christi Authority TPDES permit?

Thanks,

Eric Allmon
